

Breath of Fresh Air

Raise a glass, as together, we will find a cure for lung cancer.

At Bask 46, when you order the “Breath of Fresh Air” specialty cocktail, a portion will be donated to Prelude to a Cure where our mission is to find a cure for lung cancer and an early detection method.

A “Breath of Fresh Air” is made with vodka, light rum, blue Curacao, pineapple juice and coconut aroma bubble.

*“Together, we will find a cure,
One Note At A Time”*
